

The Spooky Rules of the Spooky Shapes Game Jam (4th Annual)

Wear a mask!

The labs are still considered learning spaces and we want to be as safe as possible with this many people . . . so masks are still mandatory in the labs.

You can take the mask off to eat candy . . . but please eat and drink anything else outside the lab: in the hallway, the atrium, or RFP214/215.

Ask for help!

Don't get stuck! Just ask! Whenever you ask for help (or use an external resource) make sure you put a candy wrapper in your team's cup/bucket. DISPOSE OF WRAPPERS APPROPRIATELY!!! HELP IS GOOD!!!

Save lots!

It's a good habit; these computers delete everything when idle or shut down.

Have fun!

Seriously!
